Degrees

- *PhD in Psychology*, Hosei University, Tokyo, Japan (2015)
- *MSc in Psychology*, Hosei University, Tokyo, Japan (2009)
- *BSc in Psychology*, Gakushuin University, Tokyo, Japan (2007)

Further Education

- *Polygraph (concealed information test) examiner*, Training Center of Forensic Science, National Research Institute of Police Science, Chiba, Japan (2008)
- *Profiler*, Training Center of Forensic Science, National Research Institute of Police Science, Chiba, Japan (2010)

Current Academic Positions

- *Postdoctoral Fellow of Psychology*, New York University Shanghai, Republic of China. (2018-)
- *Project Researcher*, Life Skill Education Institute in the Graduate School of Hosei University, Japan. (2018-)
- *Founder*, Japanese Research Meeting of Offender Profiling (2014-)

Former Academic Positions

- *Visiting Researcher*, University of Cambridge, the United Kingdom. (2017)
- *Visiting Researcher*, Åbo Akademi University, Finland. (2016-2017)
- *Adjunct lecturer*, School of Psychology, Bunkyo Gakuin University, Japan. (2015-2018)
- *Psychologist*, Forensic Science Laboratory, Tochigi Prefectural Police Headquarters, Japan. (2008-2018)

Teaching Experience (Undergraduate Level Courses)

Principal Course Administration and Major Contributions to University Courses

- *Introduction to Psychology*. Arts & Sciences, New York University Shanghai (2 lectures and Experimental Discovery group assignments, co-planning of course design 2019-)
- *Legal and Criminological psychology*. School of Psychology, Bunkyo Gakuin University (principal course administrator, examiner and lecturer, 2015-2018)

Guest Lectures and Miscellaneous

- Guest lecture on *Polygraph testing*. Arts & Sciences, New York University Shanghai (2018)
- Guest lecture on *Application of criminal psychology*. Nihon Bunka University (2013)
- Guest lecture on *Application of criminal psychology*. Tokyo University of Information Sciences (2013)
- Guest lecture on *Application of criminal psychology*. Hosei University (2010)

Former Academic Positions

- *Visiting Researcher*, University of Cambridge, the United Kingdom. (2017)

Invited Lectures and Keynote Presentations

- **Haginoya, S.** *Future in Applied Psychology – From the criminological point of view*. Invited lecture at the Public Symposium of the Japan Association of Applied Psychology (Tokyo on Japan 12 Dec 2015).

Scientific Positions of Trust

- Chairman of oral presentations (Forensic Psychology) at 20th Annual Meeting of Japanese Association of

Forensic Science and Technology (Tokyo, Japan on 13 Nov 2014)

Presentations at International Congresses and Events

- **Haginoya, S.**, & Kuraishi, H. *Comparing the accuracy of geographic profiling, by considering the number of crimes*. Poster presentation at the 71st Annual Meeting of the American Society of Criminology. (Washington DC on 19 Nov 2015)
- Kuraishi, H., & **Haginoya, S.** *The Development of a Japanese Geographic Profiling System in R Language*. Poster presentation at the 71st Annual Meeting of the American Society of Criminology. (Washington DC on 19 Nov 2015)
- **Haginoya, S.** *Predictable Classification of Serial Domestic Burglar in Japan* Poster presentation at the 16th World Congress of the International Society for Criminology (Kobe, Japan on 7 Aug 2011)

Presentations at National Congresses and Events

- **Haginoya, S.** *Offender Profiling of Residential Burglary*. Oral presentation at 79th Annual Convention of the Japanese Psychological Association (Kawasaki, Japan on 22 Sep 2015)
- **Haginoya, S.** *A connection between Psychology and Offender Profiling*. Oral presentation at 77th Annual Convention of the Japanese Psychological Association (Sapporo, Japan on 19 Sep 2013)
- **Haginoya, S.** *Frontier of Offender Profiling*. Oral presentation at 76th Annual Convention of the Japanese Psychological Association (Kawasaki, Japan on 12 Sep 2012)

Grants and Research Funding Awarded (total: 3,593,000 JPY)

- 50,000 JPY - Japanese Association of Criminal Psychology research grant (principal applicant; 2019)
- 500,000 JPY - Meiji Yasuda Mental Health Foundation research grant; “*Testing the Effectiveness of Empowering Interviewer Training for Japanese (EIT-JP)*” (principal applicant; 2018)
- 1,443,000 JPY - Telecommunication Advancement Foundation research grant; “*Exploring the Psychological Characteristics of Victims of Internet Fraud Using an Japanese Version of the Susceptibility-to-Persuasion Scale*” (principal applicant; 2017)
- 50,000 JPY - Japanese Association of Criminal Psychology research grant (principal applicant; 2016)
- 1,000,000 JPY - Hosei University Doctoral Thesis Publication Programme grant (principal applicant; 2015)
- 500,000 JPY - JSPS KAKENHI grant number: 15H00053; “*Examining the Probability Distance Strategies in Geographic Profiling of Residential Burglaries*” (principal applicant; 2015)
- 50,000 JPY - Japanese Association of Criminal Psychology research grant (principal applicant; 2013)

Academic awards

- Young Researcher Award (2015) - Prize awarded by the Japan Association of Applied Psychology for the journal article entitled “Linkage Analysis of House Burglaries.”

Reviewing Assignments (number of completed reviews in parentheses)

- Ad hoc reviews for *Japanese Journal of Forensic Science and Technology* (1)

Memberships of Professional Bodies

- Member:
 - Japanese Psychological Association
 - Japan Association of Applied Psychology
 - Japanese Association of Criminal Psychology
 - Japanese Association of Forensic Science and Technology

List of Publications

Impact Analysis (Harzing's Publish or Perish Statistics, accurate as of June 1, 2019):

Papers: 11	Citations/paper: 1.18	h-index: 2
Citations: 13	Citations/author: 8.92	g-index: 3
Citation years: 5	Papers/author: 6.25	hI,norm: 1
Citations/year: 2.60	Authors/paper: 3.27	hI,annual: 0.20

Most cited paper: #17 (Haginoya, Psych Crim Law 2014: 7 times)

Monographs, Book Chapters in Edited Volumes, and Edited Conference Proceedings

1. **Haginoya, S.** (in press). Research on case linkage using logistic regression analysis (Rojisuteikku kaikibunseki wo mochiita jikenrinkubunseki ni kansuru kenkyu). Applied Psychology Handbook Editorial Committee (ed.) *Handbook of Applied Psychology (Oyoushinrigaku handobukku)*, Fukumura Shuppan Inc. (Japanese)
2. **Haginoya, S.** (in press). Geographic profiling (Chiri teki purofairingu). Kazunori Hanyu, Seiji Shibata, & Takahito Shimada (eds.) *Easy-to-understand Environmental Psychology (Yoku-wakaru kankyoshinrigaku)*, Minerva Shobo. (Japanese)
3. **Haginoya, S.** (2018). Chapter 7: Theft in elders (koreisha niyoru setto). Keita Ochi (ed.) *Criminal Psychology of the Elderly (koreisha no hanzaishinrigaku)*, Seishin Shobo. (Japanese)
4. **Haginoya, S.** (2018). Chapter 6: Environmental psychology about criminal investigation (Hanzaisosa ni kansuru kankyoshinrigaku). Nobuo Ota and Kazunori Hanyu (eds.) *Environmental psychology: Psychology and job series 17 (Kankyoshinrigaku: Shirizu shinrigaku to shigoto 17)*, Kitaohji shobo (Japanese)
5. **Haginoya, S.** (2016). Word map – Psychology in crime investigation: Leading edge of profiling approaching the psychology and behavior in felonious offenders (Wadomappu hanzaisosa no shinrigaku: Kyoakuhan no shinri to kodo ni semaru purofairingu no saisentan, Book review: 2015, Shinyosha). *Japanese Journal of Social Psychology*, 32(2), 142-143. (Japanese)
6. **Haginoya, S.** (2016). Chapter 11: Theft (Setto). Keita Ochi & Masayuki Kiri (eds.) *Textbook: Legal and Criminological Psychology (Tekisuto shihohanzaishinrigaku)*, Kitaohji shobo. (Japanese)
7. **Haginoya, S.** (2016). Residential burglar (Jutaku shinnyuto). Japanese Association of Criminal Psychology (ed.) *Encyclopedia of Crime Psychology (Hanzaishinrigaku jiten)*, Maruzen publishing, (Japanese).
8. **Haginoya, S.** (2016). *Offender profiling study: Analysis of residential burglaries (Hanzaisha purofairingu kenkyu: Jutaku taisho shinnyusetto jiken no bunseki)*, Kitaohji shobo. (Japanese)
9. **Haginoya, S.** (2011). “Detection of deception using non-verbal behavior” and “Criteria based content analysis” and “Criminal psychological linguistics” K. Ochi, M. Fujita, and K. Watanabe (eds.) *Encyclopedia of Law and Psychology (ho to shinrigaku no jiten)*, Asakura Publishing Co. (Japanese)

Articles Published in Peer-Review Journals

10. Hanayama, A., **Haginoya, S.**, & Kuraishi, H. (2019). Comparing accuracy of geographic profiling by differences in distance measures. *Japanese Journal of Forensic Science and Technology*, (March), 1–14. doi: 10.3408/jafst.755 (Japanese)
11. Hanayama, A., **Haginoya, S.**, Kuraishi, H., & Kobayashi, M. (2018). The usefulness of past crime data as an attractiveness index for residential burglars. *Journal of Investigative Psychology and Offender Profiling*, (March), 1–14. doi: 10.1002/jip.1507
12. **Haginoya, S.**, Kuraishi, H., Hanayama, A., Kobayashi, M., Hosokawa, T., & Sugimoto, T. (2017).

Comparing the accuracy of geographic profiling. *Japanese Journal of Psychology*, 88(2), 123-131. doi: 10.4992/jjpsy.88.16011 (Japanese)

13. Gamo, S., **Haginoya, S.**, Hanayama, A., Hosoya, R., Kan, M., Ishiuchi, A., & Maehira, R. (2017). Directional consistency in crime location choice in Japanese residential burglary. *Japanese Journal of Forensic Science and Technology*, 22(2), 153-160. doi: 10.3408/jafst.721 (Japanese)
14. **Haginoya, S.** (2016). Linkage analysis across different types of crime, by using geographical and temporal proximity. *Japanese Journal of Psychology*, 87(4), 343-353. doi: 10.4992/jjpsy.87.15030 (Japanese)
15. **Haginoya, S.** (2016). Examining linkage analysis in serial and non-serial crimes *Japanese Journal of Applied Psychology*, 42(2), 1-9. (Japanese)
16. Kan, M., **Haginoya, S.**, Hosokawa, T., Gamo, S., & Ishiuchi, A. (2016). Comparing the accuracy of geographic profiling models and effects of the number of crime locations. *Japanese Journal of Criminal Psychology*, 54(1), 41-51. doi: 10.20754/jjcp.54.1_41 (Japanese)
17. **Haginoya, S.** (2014). Offender demographics and geographical characteristics by offender means of transportation in serial residential burglaries. *Psychology, Crime and Law*, 20(6), 515-534. doi: 10.1080/1068316X.2013.793768
18. **Haginoya, S.** (2014). Linkage analysis of house burglaries. *Japanese Journal of Applied Psychology*, 40(1), 45-53. (Japanese)
19. **Haginoya, S.**, Hanayama, A., Ono, S., Gamo, S., Maehira, R., & Hosokawa, T. (2014). Predicting offender characteristics in serial house burglaries based on *modus operandi*. *Japanese Journal of Forensic Science and Technology*, 19(1), 31-43. doi: 10.3408/jafst.19.31 (Japanese)

Manuscripts in Preparation or Submitted for Peer Review

1. Kuraishi, H., **Haginoya, S.**, Kobayashi, M., & Kusumi, T. (submitted). Development of Japanese geographic profiling software: Spatial analysis methods of offender's nodes (SAMON). *Theory and Applications of GIS* (Japanese)
2. **Haginoya, S.**, & Santtila, P. (in preparation). Experimenter effect may happen to the untrained human judgement in the concealed information test. To be submitted to *Psychophysiology*.
3. **Haginoya, S.**, Yamamoto, S., Pompedda, F., Naka M., Antfolk, J., & Santtila, P. (in preparation). Online simulation training of child sexual abuse interviews with feedback improves interview quality in university students. *Frontiers in Psychology*
4. **Haginoya, S.**, Yamamoto, S., and Santtila, P. (in preparation). Improvement of interview quality in police officers using simulated child sexual abuse interviews with feedback. (Japanese) *Japanese Journal of Psychology*
5. **Haginoya, S.**, Yamamoto, S., and Santtila, P. (in preparation). Combination of feedback and modeling in online simulation training of child sexual abuse interviews improves interview quality of clinical psychologists. To be submitted to *Child Abuse & Neglect*.
6. **Haginoya, S.**, Kuraishi, H., Hanayama, A., Kobayashi, M., Hosokawa, T., & Sugimoto, T. (in preparation). Revisiting the accuracy of geographic profiling methods considering the accuracy measurement and the number of crimes. *Journal of Quantitative Criminology*.
7. **Haginoya, S.**, Kuraishi, H., & Kiriu, M. (in preparation). Comparing the accuracy of linkage analysis between a statistical model and heuristics. *Legal and Criminological Psychology*
8. **Haginoya, S.**, & Hanayama, A. (in preparation). Comparing the accuracy of linkage analysis by differences in distance indices. *Applied Geography*
9. **Haginoya, S.**, & Modic, D. (in preparation). Developing and validating the Japanese version of Susceptibility-to-Persuasion scale. *Computers in Human Behavior*
